The next meeting of the Croton River Numismatic Society will be held on Wednesday, April 8th, 2026 at Trinity Lutheran Church Rt 6 Brewster

The Bourse and auction lots will be on view **only** after all the published lots have arrived and the Managers have **finished** their placements. The meeting will begin at the discretion of the President.

Members can submit up to 15 lots for the May 13th, 2026 auction. A list of the lots, not the lots themselves, should be given to Ron at the meeting or sent to him via e-mail no later than the 25th of the prior month. A \$1.00 per lot charge will be deducted from your sales at the end of the auction. Minimum bids must be supplied with the list. Lots are not to be graded and will receive lot numbers when the auction list is made up. It will be the member's responsibility to place the lot # on the items & bring them to the meeting. Lots can be submitted via e-mail to Ron at Rongreenepc@gmail.com. We reserve the right to reduce lot size to include more member submissions.
